

**Tigers Are Nice!**  
**By Simone Bates**

Tigers are.

nice!

By Simone Bates.

Young tigers are nice they don't eat people.

Young tigers are

nice they don't eat

people.

Young tigers are too little to kill.

Young tigers are

too little to kill.

**Tigers have black and white stripes. They live to be 100.**

Tigers have black

and white stripes.

They live to be 100

**Tigers weigh 100 pounds and they roar and purr.**

Tigers weigh 100 Pounds

and they roar and purr.

They fight to get food. They roar to say stay away.

They fight to get food.

They roar to say stay

away

Some tigers live at the Zoo. They are endangered.

Some tigers live at

the Zoo. They are

endangered.

I love tigers. The end.

I love tigers. The

end.
